| <b>RATE INFORMATION</b>                                     | <p>The Interest Rate and the Annual Percentage Yield (“APY”) for your certificate of deposit account (“CD”) are set forth in the table above. You will be paid this rate until the maturity date of the CD. Your CD will mature on the Maturity Date set forth in the table above. The APY assumes interest remains on deposit until maturity. A withdrawal will reduce your earnings.</p> <p><b>COMPOUNDING AND CREDITING:</b> We use the daily balance method to calculate the interest on your CD. This method applies a daily periodic rate to the principal in the account each day. We calculate interests based on a 365-day year for retail and commercial CD accounts. Interest will be compounded and credited to your CD on a monthly basis unless you instruct us to credit interest to a deposit account indicated in the table above. If you close your CD before interest is credited, you will not receive the accrued interest.</p> <p><b>CAPITALIZATION AND INTEREST ACCREDITATION:</b> Interest is capitalized and credited monthly to the CD or to an account designated by the customer at account opening. If the CD or Account is cancelled prior to the crediting of interest, accrued interest will not be paid.</p> <p><b>ACCRUAL ON NONCASH DEPOSITS:</b> Interest begins to accrue on the Business Day you deposit non-cash items (for example, checks).</p> |
| <b>TRANSACTION LIMITATIONS</b>                              | <p>After the CD is opened you may not make deposits into or partial withdrawals from this CD until the Maturity Date, except as permitted by applicable Federal or State laws or regulations.</p>  |
| <b>EARLY WITHDRAWAL PENALTY</b>                             | <p>We will impose a penalty if you withdraw the principal or any part thereof before the Maturity Date. Such penalty will be:</p> <ul style="list-style-type: none"><li>• 6 months of interest if the Term is of one year or less; and</li><li>• 9 months of interest if the Term is more than one year.</li></ul> <p><b>Early withdrawals and penalties will reduce your earnings and may result in loss of principal.</b></p> <p><b>For Accounts opened in the jurisdiction of Puerto Rico only:</b> In accordance with the Puerto Rico Act No. 98 of June 25, 1998, as amended, under certain circumstances the early withdrawal penalty may not apply to consumer clients who are residents of Puerto Rico. For additional information, refer to your Retail Deposit Account Agreement under the caption “Certificates of Deposit Account Disclosures, Terms and Conditions.”</p>  |
| <b>RENEWAL POLICY</b>                                       | <p>Your CD will be automatically renewed at maturity. In the event of automatic renewal, interest on the CD will accrue at the Bank’s effective rate for automatic renewals. During the grace period, ten (10) days after maturity date, funds withdrawn will not carry a penalty. CD for IRA have no grace period.</p>  |
